

## **Samarth Biz Fest2024**

Sanjoyt Basaraf, Shreedhar Vharambale, Shweta Jadhav, and Siddhesh Rokade, third year students of AIDS Department, recently achieved remarkable success at the Samarth Biz Fest competition held in Belhe on March 12, 2024. This prestigious event brought together talented individuals from various fields, and their impressive performance secured them the 2nd place award. The Samarth Biz Fest is known for its rigorous and competitive environment, highlighting the skills and innovations of participants. Competing against a wide array of talented individuals and teams, the achievement of these four students is a testament to their dedication, expertise, and collaborative efforts. Their success not only reflects their individual capabilities but also showcases the strength and potential of their department. This accomplishment is a significant milestone in their academic and professional journey, demonstrating their ability to excel in a competitive landscape. It also serves as an inspiration to their peers and future participants in similar events.
