Total Participant	112
Brief Report	The Department of E&TC Engineering conducted certificate course on Computer Programming in C and C++ from 22nd Aug 2022 to 26th Aug 2022 (30 Hours). Prof.Chaugle S.D. was appointed as course coordinator. The resource person for this certificate course was Mr.Tushar B. Kute. In this certificate course students got the detail knowledge about Computer Programming in C and C++ and its various applications in the field of academics, research & industry. Industrial applications of Computer Programming in C and C++ were covered in this certificate course. Total 112 students of SE,TE & BE E&TC have participated in this program. All the faculty member of E&TC department works actively for successful completion of certificate course.
Course Outcomes	1)Student got the knowledge about different I/O operations in C and C++ program in this certificate course. 2)Student understood the different application and uses of Computer Programming in C and C++.
