Event Summary Report

Pimpri Chinchwad Science Park was developed in an attempt to initiate well coordinated science communication and popularisation activities in the region. The Centre has a built-up area of approximately 4000 sq. m., housing three permanent galleries, a temporary exhibition hall, an inflatable-dome planetarium, a science demonstration area, an activity corner, an auditorium, a 3D science show facility, a library cum conference hall, and a workshop for maintenance and development of exhibits. Main objectives of the Science Park are to promote scientific culture and inculcate scientific temper for nurturing talent in science and technology and undertake research in scientific disciplines for conversion of science into technology and to augment science and technology as a vehicle of change in overall development. Develop own and operate world-class science park, which includes exhibitions, museums and edutainment and act as a premier institute propagating science and harness the potential of modern communication technologies for welfare of the society. Provide and facilitate education, training, promote science and technology based entrepreneurship and act as an incubation centre for creation and dissemination of teaching and learning material and also R&D in all disciplines of science and technology. Total 31 Students and 4 faculty members were present for the Industrial visit. All Students & staff of E&TC Engineering are visited to Dana Industry Pune & also visited to Science Park.

To,
The Director
DANA India Pvt,Ltd Pune

Subject: Permission for visit for E&TC Engineering Students DANA India Pvt,Ltd Pune

Dear Sir,

Jaihind College of Engineering,Kuran is degree level institute affiliated to Savitribai Phule University ,Pune approved by AICTE,New Delhi & DTE Maharashtra state Mumbai. The college offers Under Graduate & Post Graduate Degree Courses in Mechanical, Civil, E&TC and Computer Engineering.

Our institute provide facilities as per with other reputed engineering colleges apart from regular class room teaching we try to provide industrial exposure to students. The valuable experience during industrial visits help them to understand the applications of basic concept and fundamentals of engineering which are implemented in the industry

This experience will help them in molding into a good responsible engineer

It's our humble request to grant permission for visit of Electronics and telecommunication Engineering students of 46 students of SE,TE,&BE along with 4 faculty members to your reputed organization, as per your convenience preferably on 04/03/2024.

Thanking You.

Yours sincerely,

Principal,
Jaihind College of Engineering, Kuran
JCEI's Jaihind College Of Engineering
