## Criterion – 1 Curricular Aspect

### Key Indicator - 1.4 Feedback Systems

#### Students Feedback Analysis:

#### Academic Year 2022-23, Semester-I/II

- Students' Feedback is an essential element of the learning process. The institute collects the feedback on various aspects from the students using structured questionnaire.
- The feedback collected from the students has been analyzed and action taken to strengthen the quality of teaching learning environment and to look for opportunities to improve overall performances including teacher in classroom engagement with students to bring excellence in teaching and learning.
- This questionnaire is intended to collect information relating to your satisfaction towards facilities and services provided for creating conducive atmosphere for teaching and learning.
- The information provided by the students was kept confidential and was used as important feedback for quality improvement of the various courses and programmes offered by Jaihind College of Engineering Kuran.
- In order to arrive at comprehensive results, statistical analysis and graphic representations has been undertaken.
- The responses are scored in a five-point scale for each item i.e., Excellent, Very Good, Good, Average and Poor. Student indicates his / her level of agreement with the following statements by selecting appropriate option.
- Total consolidated responses received were 712 from FE, SE, TE, BE Students. The department has analyzed the responses of student's feedback form and report submitted to authorities, and appropriate action has to be taken place.
- As per Guidelines from IQAC Department if student's response is equal to or less than 40 % in particular questionnaires corrective analysis has to be done and suggestion has to be sent to concern authority for corrective action.
