## Notice

Dear students now a day's environmental issues are becoming a global and local concern. It is also being found that the forest near to our college campus is often the source of enormous of plastic pollution. With the goal to make our forests a plastic free forest we **National Service scheme department (NSS)** organized a "Plastic Free Forest Agitation "on **03/06/2023 on the occasion of world environment day.**

This plastic free campaign will start from 9.15 am sharp so everyone should present in front of the main faculty building at 9.15 am

All are requested to be a part of this awareness campaign.
