Student Notice

All the students of SE Computer Engineering are hereby informed that department has organized a seminar on "Threads of Innovation: Unravelling Java's Multithreading For Entrepreneurial Success" on Saturday 20/05/2023.

So all students are requested to be present for Guest Lecture on given time.

To Mr. Mahesh Pokharkar Senior Software Analyst, Jalgie Technologies, Pune, Maharashtra.

Subject- Invitation for conducting 2 Hrs Lecture on "Threads of Innovation: Unraveling Java's Multithreading For Entrepreneurial Success"

Dear Sir,

Our Computer Engineering department intends to organize a seminar on "Threads of Innovation: Unraveling Java's Multithreading For Entrepreneurial Success "for SE engineering students. It will be a 2 Hrs Lecture for a capacity of around 150 students. The Lecture is scheduled on Saturday 20/5/2023.

You are an authoritative resource person to conduct seminar on "Threads of Innovation: Unraveling Java's Multithreading For Entrepreneurial Success". It will be an immense pleasure for us if you can manage time for us. Please convey us whether you will be available to make us this opportunity for our students,

We look forward to a favorable reply and just as soon as I receive it, I will send you complete details.

Thanking you. Yours faithfully

To. Mr. Mahesh Pokharkar Senior Software Analyst, Jalgie Technologies, Pune, Maharashtra.

Dear Sir.

We would like to thank you for conducting a seminar by you on the topic "Threads of Innovation: Unraveling Java's Multithreading For Entrepreneurial Success" for the students of SE computer engineering and AI&DS of our college. Students are highly benefited by the knowledge and guidance shared by you with them.

We look forward for your guidance in future also.

Thanking you. Yours faithfully

Title: Seminar on "Threads of Innovation: Unravelling Java's Multithreading For

Entrepreneurial Success"

Date:20/05/2023

Venue: A. P. J. Abdul Kalam Seminar hall JCOE, KURAN

Faculty Coordinator: Prof. AutiM.A.

Resource Person: Mr. Mahesh Pokharkar, Senior Software Analyst, Jalgie

Technologies, Pune, Maharashtra

Total number of Attendees: 70

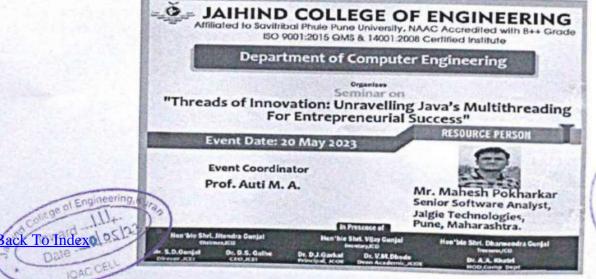

Outcomes: By the end of the session, Students gained knowledge in Multithreading in Java concepts which assist in Software Developing and justifying the several technical models. They gained knowledge about Multithreading in Java.

Summary Report:

Multithreading in Java wasorganized by Computer Engg. Department, JCOE on 20/05/2023 for the SE Engineering students. The speaker for the session was Mr. Mahesh Pokharkar and his topic for the session was Multithreading in Java. Mr. Mahesh Pokharkar has over15yearsofteaching experience and b3 years Industry Experience.

The main focus of this Lecture was to create an interest on the Java domain, which is popular in all academia, software Developer, and research and development, to make effective decisions in day to day activities. Resource Speaker, Mr. Mahesh Pokharkarbegan the lecture by explaining the existence of Multithreading concepts in various fields. He elaborated an example usage of Multithreading in different domain. There was an interactive Question and Answer session following the presentation, and the programmed came to an end with the proposal of vote of thanks.

Title of Event: Threads of Innovation: Unravelling Java's Multithreading For

Entrepreneurial Success

Resource Person: Mr. Mahesh Pokharkar.

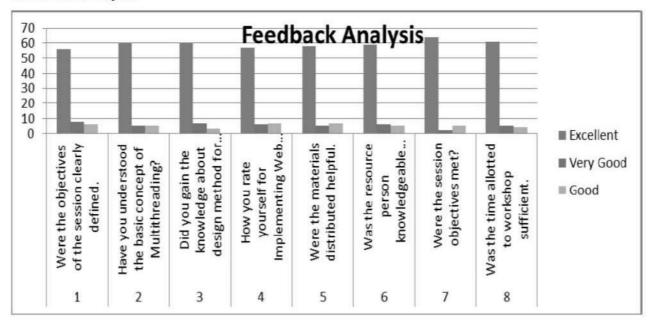

Date of Event - 20th May 2023

Outcome: On completion of the Guest Lecture students will be able to

Outcome 1- Demonstrate Applet and Multithreading for robust application development

Outcome 2- Create web based application in java.

Feedback Analysis-

After completion of the Multithreading in Java workshop all of the students are gained knowledge about designing and implementing IoT application.
