National Career Service – one stop solution for all career related services

National Career Service is a vibrant platform which aims to transform and strengthen the public employment services in the country. It brings together Job Seekers, Employers, Skill Providers, Career Counsellors, Local Service Providers (LSP's), Career Centers, Placement Organizations, Households and Government Departments on a common platform through the efficient use of information technology.

- Easy accessibility of employment services like staffing, placement and recruitment to all the stakeholders
- Enhancing employability of the workforce by providing them information on training & skilling information
- Provisioning of career counselling services
- Self-help & assessment tools of capabilities & vocational guidance services to jobseekers
- Providing information related to job profiles, career paths & employers
- PAN verified institutions and rich database of job seekers
- Career planning and rich career content on over 3500 occupations across 52 sectors
- NCS has partnerships with various private organizations like Freshersworld, Monster, Quikr, etc. and the data exchange on the portal helps connecting job seekers with more number of prospective employers.
- 100+ Model Career Centres (MCCs) have been set up and additional 100 MCCs are being planned.
- National Career Service Centres for Differently Abled (NCSC-DA) are being run by DGE across the country.
- National Career Service Centres for SCs and STs (NCSC – SCs/STs) for providing employment related training and guidance are also being run by DGE.

Assessment Tests for Jobseekers

National Career Service (NCS) Portal now offers Assessment Tests for jobseekers to help them better understand themselves and make smarter decisions when looking for a job or career option.

Jobseekers can login to their account and go to the Assessment Tool in the left panel of jobseeker's dashboard to take Psychometric and Aptitude Tests, which would guide them towards a right career path. Jobseekers can also access these tests from the Home page itself by clicking the Assessment Tests option from the "Career Information/ Assessment Tests" tile and Register/Login themselves in order to take the test.

The two tests available on NCS portal are -

1. BARO Assessment (Psychometric Test)

BARO Assessment is a career interest test that helps candidate identify interest areas in various domains, and gives them career options as per their interests so that they can take well-informed decision regarding their career.

2. Cognitive Assessment (Aptitude Test)

Cognitive Assessment is designed to measure a candidate's problem-solving, verbal reasoning, numerical reasoning and spatial ability.

Problem Solving: Problem solving skills is the process of using a rational, systematic series of steps based on sound mathematical procedures and given statements to arrive at a conclusion.

Verbal Reasoning: Verbal Reasoning tests assess candidate's understanding and comprehension skills.

Numerical Reasoning: The Numerical Reasoning assesses knowledge of Ratios, Percentage Increase/Decrease, Cost and Sales Analysis, and Currency Conversions.

After completing the assessment test, jobseeker can view the results (Assessment Reports) in the Education & Training" tab under "View/Update Profile" in the left panel of the jobseeker dashboard.

The Indian tourism and hospitality industry has emerged as one of the key drivers of growth among the services sector in India. Tourism in India has significant potential considering the rich cultural and historical heritage, variety in ecology, terrains and places of natural beauty spread across the country. Tourism is also a potentially large employment generator besides being a significant source of foreign exchange for the country. India is the most digitally-advanced traveller nation in terms of digital tools being used for planning, booking and experiencing a journey, India's rising middle class and increasing disposable incomes has continued to support the growth of domestic and outbound tourism.

During 2018, foreign tourist arrivals (FTAs) in India stood at 10.56 million, achieving a growth rate of 5.20 per cent year-on-year. FTAs in January 2019 stood at 1.10 million, up 5.30 per cent compared to 1.05 million year-on-year. The travel & tourism sector in India accounted for 8 per cent of the total employment opportunities generated in the country in 2017, providing employment to around 41.6 million people during the same year. The number is expected to rise by 2 per cent annum to 52.3 million jobs by 2028. International hotel chains are increasing their presence in the country, as it will account for around 47 per cent share in the Tourism & Hospitality sector of India by 2020 & 50 per cent by 2022 – **(Source: India Brand Equity Foundation, www.ibef.org)**

➤ **NCS elevated Bhavesh's career once and forever**

I am Bhavesh from Punjab. I did B.Tech in CSE, hence aspired to get a good job but "the road to success is always under construction", this is what I learned at GNDU, Model Career Center, Amritsar. I reached out to GNDU, Model Career Centre with a dream to get one of the best placement and the Centre guided me to enhance my skills and knowledge so that I get a step closer to my dream. Finally, through this Centre I got the opportunity to work with Ernst & Young as a Risk Analyst at a good pay scale. I am extremely thankful to this Model Career Centre and National Career Service Scheme for helping me realize my dreams.

➤ **TCS Affirmative Action Training changed Sourav's life for good**

My name is Sourav Roy. I am a graduate from GC College, SILCHAR and belong to a lower middle class family. After my father's demise, it became difficult for my mother to manage all the family expenditure and to support my family; I started looking for a job but could not find any. I was in a very frustrated state of mind and was unable to concentrate fully in my studies. One day I decided to visit Employment Exchange in my area to enquire about a job, and came to know about the existence of Model Career Centre in Silchar. Model Career Centre, Silchar, guidance and initiative about the TCS Affirmative Action Training Programme gave me a chance to get better edge to face and improve my interview skills. After undergoing the complete training programme, I feel grateful and blessed for getting selected in TCS for the post of "Trainee". I am extremely happy and would like to thank Model Career Centre, Silchar and NCS for such a great initiative.

➤ NCS helped in shaping Sadiya's career

Sadiya Saba hails from Mysore, Karnataka. She recently completed her Bachelors of Business Administration (BBA) and was searching for a job. One day, with the keenness to get a job opportunity, Sadiya heard about the Model Career Centre, District Employment Exchange, Mysore and visited the centre for further information. Later she was again called for the Walk in Interview and apprised about National Career Service scheme, which she found very useful for her. After appearing in the interview, she finally got a job opportunity in Rane (Madras) Limited. She happily shares “Thank you for providing me the opportunity by conducting NCS Awareness Programme and Walk-in Interview”

➤ "Thank you for providing me this job opportunity" says Megha Bhinda

I have been unemployed since last 1.5 years as my dad was transferred to another district. I was eagerly looking for an opportunity where I could utilize my previous experience from Sales & Marketing. Rajkot being an industrial hub has ample of career opportunities in every field but the only problem here is getting connected to the right employer. It took me sometime but from social media I came to know about Model Career Centre, Rajkot. After checking the NCS Job Fair Calendar, I attended the recent Job Fair at Sunshine College wherein around 35 companies were hiring employees. I attended 5 interviews and was called for final selection by Web Plus Advertising. At present, I am satisfied with the platform that MCC, Rajkot has provided me this great opportunity. I would like to wish this team a huge success
