Title-Angular js workshop

Photo-

Summary-

Workshop on angular JS was organized by computer department on 10th april to 15th april 2017. The resource person for this was Naveen gude(Trainer,Coign Consultants Pvt.Ltd,Hyderabad) and kumar Swamy (Technical Assistant ,Coign Consultants Pvt.Ltd,Hyderabad). Angular JS is a structural framework for dynamic web apps that can be used to develop single page web apps. To create awareness about latest technologies this workshop was arranged for students from third year and final year of engineering

Title of Event:- EDP (A.Y. 2014-15)

Resource Person:- Abhijit Nandakumar Patil

Photograph :-

Summary-

The Workshop was organized by Jaihind College of Engineering for the Department of Computer Engineering, so that it would be useful participants to:

- a)Exhibit entrepreneurial behavior for business success
- b)Perceive and act on business opportunities
- c)Set challenging and attainable business goals
- d)Start and run a new businesses and improve on existing ones
- e)Source and use information for market development

- f) Develop business plans for application to banks
- g) Apply reasonable standards of excellence in their performance
- h) Build up confidence to make effective presentations
- i) Improve interpersonal competence

Title of Event:- Hadoop Setup & Configuration (A.Y. 2014-15)

Resource person:- Prof. Aarti Dandawate

Photograph :-

Summary-

The Workshop was organized by Jaihind College of Engineering for the Department of Computer Engineering, the workshop has described the required steps for setting up a single-node Hadoop cluster backed by the Hadoop Distributed File System, running on Ubuntu Linux.

Hadoop is a framework written in Java for running applications on large clusters of commodity hardware and incorporates features similar to those of the Google File System (GFS) and of the MapReduce computing paradigm. Hadoop's HDFS is a highly fault-tolerant distributed file system and, like Hadoop in general, designed to be deployed on low-cost hardware. It provides high throughput access to application data and is suitable for applications that have large data sets.

Title JCON 2016

Photo-

Summary-

National conference on emerging trends and applications in engineering and sciences JCON 2016 was conducted on 13th and 14th feb 2016. Many students from all branches were participated and presented their paper. Students from final year of engineering presented their innovative ideas regarding academic projects. Conferences provide a way to practice students presentation skills and can help them to develop the expertise needed to discuss their research in a clear and meaningful way. They Learn how to answer specific questions and present their data to a range of individuals.

Title National Conference on Emerging Trends & Applications In Engineering & Science (ETA-EAS) “JCON – 2017

Photo-

Summary-

Jaihind College of Engineering proudly participates in **JCON – 2017** from 16th to 17th March 2017. Jaihind College Of Engineering has organized 5th National Conference “**Emerging Trends and Applications in Engineering and Sciences**” on 16th and 17th March 2017. The conference was organized under Savitribai Phule Pune University . The conference was inaugurated by Chief Guest, Dr.A.S.Pant Principal, Government College of Engineering & Research, Avasari, & Dr. C.L.Dhamejani **Ex- Director, VRDE, Nagar** on 16th March 2017 in APJ Abdul Kalam Seminar hall at 10.30 AM . Dr.A.S.Pant talked about “Automotive Technology ” and its application . Dr. C.L.Dhamejani presented presentation on “Technologies for Futuristic Emission Norms”.

This national conference provided a forum for research scholars, scientist and academician in the field of engineering. The major tracks for engineering students like various branches Automobile, Civil, Computer, Mechanical, E&TC. Conference will provided the platform for discussing innovative technologies in Engineering. The conference received good response from researchers, academician and students. We Received 114 papers from different department. Out of 114 some were published in International Journal of Engineering Research and Management.

Details of Conference papers:-

Sr.No.	Name of the Department	Accepted to JCON-2017	Published to IJERM ISSN:2349-2058 Impact Factor:-2.37
1	Civil Engineering	19	18
2	Computer Engineering	22	22
3	E&TC Engineering	21	21
4	Mechanical Engineering	52	29
	Total	114	90

In presence of all the Management members, staff members and students are present in National Conference “**Emerging Trends and Applications in Engineering and Sciences**” on 16th and 17th March 2017.

Title of Event:- Latex workshop (A.Y. 2014-15)

Resource Person:- Prof. Suresh Limkar

Photograph :-

Summary:-

The Workshop was organized by Jaihind College of Engineering for the Department of Computer Engineering, so that it would be useful for the students to make the project reports. The workshop was useful because latex is a typesetting system which makes it easy to create typographically sophisticated documents. It also has a challenging, un-intuitive interface. A LaTeX document starts as a file which has special markup characters (similar to HTML or Wiki Formatting), which is then processed by the LaTeX program all at once to produce a PDF

document. This was taught in the workshop so that students would make the reports for their projects.

Title-LATEX Workshop

Photo

Summary-

Department of Computer Engineering, Jaihind college of Engineering, Kuran has decided to conduct a ONE DAYS WORKSHOP on “LATEX” on 11 July 2015 to enhanced and develop new way to prepare documentation using new technologies like latex as the part of academic curriculum activities for our staff members as well as students.

Contents of the workshop :

Introduction and learning Latex

Working with Latex software

How to create new template in Latex.

Details with Modules :

The Point of the Workshop Series

1. Module 1: Finding, Installing and Using LaTeX Software

2.Module 2: Using Document Classes and Packages – Preamble and Document Structure

3.Module 3: Writing a LaTeX Article – The Basics

4.Module 4: Writing a LaTeX Article - Using Tables

5.Module 5: Writing a LaTeX Article - Embedding Figures

6.Module 6:Writing Formulas for a LaTeX Article

7.Module 7: Using BibTeX

8.Module 8: Using Journal Class Files and Packages

The Workshop was conducted by an expert Prof. Suresh Limkar, Assistant Professor ,AISSM’S IOIT,Shivajinagr ,Pune

Title-SCALA Programming

Photo-

Summary-

Department of Computer Engineering, Jaihind college of Engineering, Kuran has decided to conduct a ONE DAYS WORKSHOP on “SCALA” on 25 July 2015 to enhanced and develop new way to work using new technologies like Scala as the part of academic curriculum activities for our staff members as well as students. The Workshop was conducted by an expert Ms.Jyoti S.More, Senior Associated ,Cognizant Technology Solution,Pune.

Sr No-

Title-WEB DEVELOPMENT USING PHP

Photo-

Summary- Department of Computer Engineering, Jaihind college of Engineering, Kuran organised a TWO DAYS WORKSHOP on “WEB DEVELOPMENT USING PHP” on 01 AND 02 SEPTEMBER 2016 to enhanced and develop new way to implement advanced technologies like PYTHON, PHP etc as the part of academic curriculum activities for our staff members as well as students. PHP is a server scripting language, and a powerful tool for making dynamic and interactive Web pages. PHP is a widely-used, free, and efficient alternative to competitors such as Microsoft's ASP.The duration of this workshop will be two day session , properly divided into theory and hand on practical sessions.

Sr No

Title-Python Programming

Photo

HOD Wavhal Sir felicitate to Mr. Tushar Kute Sir

Mr. Tushar Kute During hands on Training of Two Days Workshop on Python

Summary-

Department of Computer Engineering, Jaihind college of Engineering, Kuran conducted a TWO DAYS WORKSHOP on “WEB Python Programming” on AND 13 SEPTEMBER 2016 to enhanced and develop new way to implement advanced technologies like PYTHON, PHP etc as the part of academic curriculum activities for our staff members as well as students. The Workshop was conducted by an expert Mr. Tushar kute researcher , Mitu scillogies,Pune

Contents of the workshop was :

Overview of python

Basic Syntax and Variable Types

Basic Operators

Decision Making and Loops

Strings and lists

Tuples and Dictionary

Title-WORKSHOP ON THEORY OF COMPUTATION

Dated: 25/09/2016

Conducted By: Mr. Swarup Kshatriya

Photo-

Summary

This workshop was arranged in Jaihind college of engineering, By computer engineering Department, for the students of Third year as a part of their academic curriculum. The topics like Pushdown Automata & Turing machine were covered in detail. As the resource person was expertise in the subject and also working with to Tech Mahindra Company. All students of T.E. computer engineering were participated in workshop.

Title-VIRTUAL LABS OUTREACH WORKSHOP

Dated: 07 February, 2017, Tuesday

Photo-

ABOUT INSTITUTE
Jainhind Comprehensive Educational Institute was established in 1980 and it opened its first educational wing i.e. Institute of Technology (Jainhind Polytechnic) imparting quality education at diploma engineering level.
It was during academic year 2013-2011, JCEI started its Degree Engineering College which is now leading towards sixth year of Degree Courses in Automobile, Civil, Computer, EEE, Mechanical Engineering under Savitribai Phule Pune University. We not only aim to making technicians but our main motto is to contribute to the nation building. Technical aspirants can immediately contribute to multidimensional development of the country and are eligible to nurture many such technical aspirants. Jainhind College of Engineering is approved by AICTE, New Delhi as well as Director of Technical Education (DTE), and has affiliation with the Savitribai Phule Pune University. This Degree College opened a new and much needed educational stream for the students in rural area. With all these achievements we also started Master Degree in Engineering for Kurudaha.

ABOUT VIRTUAL LABS OUTREACH WORKSHOP
A virtual laboratory is a tool for distance learning and/or experimentation that allows people to share knowledge, data, video, audio, tools, and many other resources. It provides a suitable environment to extend, improve, integrate, refine, and assist the learning and/or experimentation process of many subjects, thus contributing to an increase of the effectiveness of scientific research and training. The tool enhances or assists equipment.

OBJECTIVES OF WORKSHOP
To provide an introduction to Labs in various disciplines of Science and Engineering. These Virtual Labs would cater to students at the undergraduate level, post graduate level as well as to research scholars.
To entice students to conduct experiments by increasing their curiosity. This would help them in learning basic and advanced concepts through hands-on experiments.
To provide a complete Learning Management System around the Virtual Labs where the students can view the various tools for learning, including additional multimedia, videolectures, animated demonstrations and self-evaluations.

Objectives of the Virtual Lab Project
To provide an introduction to labs in various disciplines of Science and Engineering.
To entice students to conduct experiments by increasing their curiosity.
To provide a complete Learning Management System around the Virtual Labs where the students can view the various tools for learning, including additional multimedia, videolectures, animated demonstrations and self-evaluations.

BROAD AREAS OF VIRTUAL LABS
Electronics & Communications
Computer Science & Engineering
Biotech Engineering
Mechanical Engineering
Chemical Engineering
Biotechnology and Biomedical Engineering
Civil Engineering
Physical Sciences
Chemical Sciences

COMPUTER ENGINEERING
Some of the labs requires the users to install the Pre-requisites. Learn about Pre-requisites
In order to make maximum learning experience, the users are advised to first read the instructions for installing the labs. There are step-by-step instructions available in each lab to assist the users.

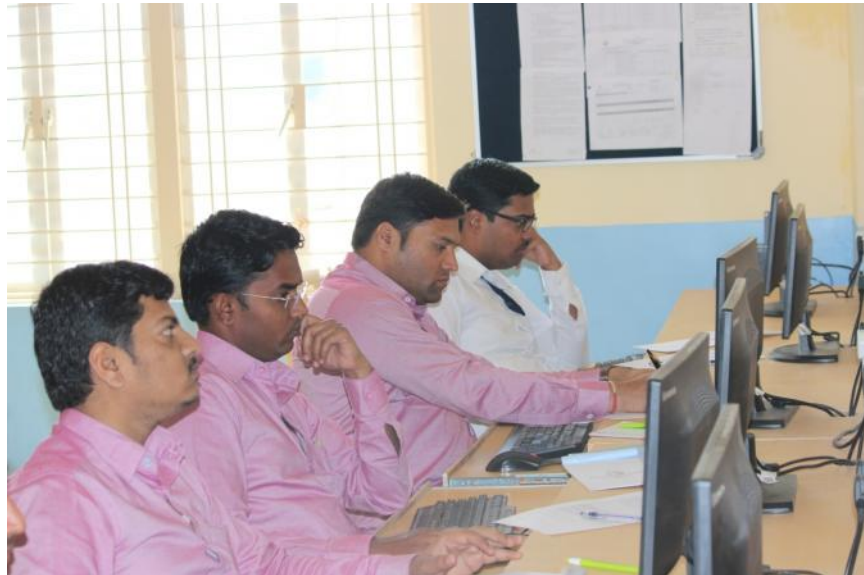

WHO CAN PARTICIPATE
If Faculty Members of all the departments of Jainhind College of Engineering, Kurudaha
A Faculty members of all the departments of Jainhind Polytechnic, Kurudaha
A Faculty members of all other engineering and polytechnic colleges.

ABOUT REGISTRATION & PARTICIPATION
Virtual Labs outreach workshop is free of cost this facility is free to all users (students and staff) it can be accessed 24/7. It is requested to all staff members of JCEI, Jainhind Polytechnic & all other engineering and polytechnic colleges. Kindly take participation as much more as possible to make successful of this faculty development program.

LOCATION
The Institute is located at BUKH at a distance of 6 km from both Kurudaha (Pune-Banaski Highway) and Jambur in Pune District, It is situated on the line of Marhawal (Bor & Laxmi) & near to a famous 'hot shower' for which location map is provided. Present Buses from MSRTC (S.L) are available from Kurudaha.

Faculty List:
Prof. M. M. Mahapatra, Prof. V. G. Prasad, Dr. D. D. Deshpande, Prof. V. G. Gunjal, Prof. D. S. Gahne, Prof. V. P. Gajjar, Prof. A. P. Dabkar, Prof. S. M. Naik, Prof. B. L. Mankar, Prof. V. M. Deeds, Prof. Mrs. Tanuja S. Khatavkar, Prof. Pushdeep Mahro, Prof. Manish Nagoshie, Prof. Mrs. Minal Apasgar, Prof. M. S. Kore, Prof. S. B. Shosale, Prof. C. S. Arya, Prof. D. M. Wavhal

Summary-

Department of Computer Engineering, Jaihind college of Engineering, Kuran organized ONE DAY FDP on “Virtual Labs Development Workshop in collaboration with IIT Bombay on 07/02/2017, Tuesday to enhanced and develop new way to implement advanced technologies like CS 5, PHP, JSP etc as the part of academic curriculum activities for our staff members as well as students. This workshop is organizer by PVG'S College of Engineering & Technology,

Pune in collaboration with IIT Bombay. The objectives of this workshop was to provide remote-access to Labs in various disciplines of Science and Engineering. These Virtual Labs would cater to students at the undergraduate level, post graduate level as well as to research scholars. To enthuse students to conduct experiments by arousing their curiosity. This would help them in learning basic and advanced concepts through remote experimentation. To provide a complete Learning Management System around the Virtual Labs where the students can avail the various tools for learning, including additional web-resources, video-lectures, animated demonstrations and self evaluation.

Event Name: Guest lecture on Entrepreneurship Development and self employment

Date: 05/01/2017

Resource Person: Mr. S. P Ranade(Former M. D, Mitcon), Mr. Shrikant Kulkarni, Mr. A. S Shinde and Mr. Santosh Chinchkar (Director,Shree Ganesh Electronics)

Mr. S. P Ranade at the inauguration and felicitation of the chief guests by Prof. D. S. Galhe

Summary:

Department of Electronics and Telecommunication had arranged a Guest **Guest lecture on Entrepreneurship Development and self employment** on 5th January 2017. At the time of guest lecture Chief guest **Mr. S. P Ranade(Former M. D, Mitcon), Mr. Shrikant Kulkarni, Mr. A. S Shinde and Mr. Santosh Chinchkar (Director,Shree Ganesh Electronics)**, Principal Dr. B. R. Jadhavar, Prof. D. S. Galhe (CEO, JCEI), Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present.

SR. NO 02

Event Name: Niyatkalik Sampadak

Date: 03/02/2017

Resource Person: Dr. Bhaskar Shelke

Dr. Bhaskar Shelke addressing the students

SUMMARY

Department of Electronics and Telecommunication had arranged a one day workshop on Niyatkalik Sampadak Karyashala on 3rd February 2017. At the time of workshop chief guest Dr. Bhaskar Shelke, Prof. D. S Galhe (CEO, JCEI), Prof. Anand Khatri (TPO, JCOE), and all staff members were present.

SR. NO 03

Event name: Workshop on VLSI

Date: 01/09/2016 & 02/09/2016

Resource Person: Prof. Chikhale N.S.

Summary:

Department of Electronics and Telecommunication was arranged on two days workshop on “VLSI ” under the subject VLSI Design & Techniques” for B.E. (E&TC) students on date 1st & 2nd September 2016. Mr. Chikhale N.S. (Ikonic Edge Pvt. Ltd) was the resource person. Number of students participated in the workshop were 56 from B.E.(E&TC) class. Mr.Chikhale started session with basic concepts on Front end and back end design. Also taken hands on practice with ISE (XILINX) simulation software. The whole session was very helpful for student from practical point of view. At the time of workshop Mrs. Dhede V.M (HOD) , Prof. Mengade R.D.(Subject teacher) and all staff members were present.

SR. NO 04

Event : Workshop on Practical Integrated Antenna Design Analysis and Implementation

Date:- 27/01/2017

Resource Person: Mr. Dhananjay Magar

Practical Session by Mr. Magar with Hands on Practice On NEC Software

Summary:

Department of Electronics and Telecommunication had arranged one day workshop on “Practical Integrated Antenna Design Analysis and Implementation” under the subject Antenna and Wave Propagation for T.E. (E&TC) students on date 27/01/2017. Mr. Dhananjay Magar (Sr. Application Engineer, Ni Logic Pvt. Ltd) was the resource person. He started session with basic concepts on antenna & antenna design steps. Also taken hands on practice with EM simulation software NEC. Mr. Magar had conducted practical session on manufacturing of different types of antennas like dipole, monopole and helical antennas. The whole session was very helpful for student from practical point of view.

At the time of workshop Mrs. Dhede V.M (HOD), Prof. Shinde S.E. (Subject teacher) and all staff members were present.

SR. NO 05

Event Name: SPARX 2017

Date- 14/02/2017

Summary:

Department of Electronics and Telecommunication of JCOE had arranged a national level competition “SPARX 2017” on 14th February 2017. At the time of event Principal Dr. C. L. Dhamejani, Director Mrs. Shubhangi Gunjal, Principal of Jaihind Polytechnic Mr. Y. S Gunjal, Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present.

SR. NO 06

Event Name: Guest Lecture on Future of Linux, Cloud and Job Opportunities

Date:- 26/09/2016

Resource Person: Mr. Ikhankar Sagar

Summary:

Department of Electronics and Telecommunication had arranged a guest Lecture on Future of Linux, Cloud and Job Opportunities on date 26th September 2016. Mr. Ikhankar Sagar was the resource person. The whole session was very helpful for student from practical point of view.

At the time of workshop Mrs. Dhede V.M (HOD) and all staff members of E&TC department were present.

SR. NO 07

Event Name: Guest lecture on DSA

Date: 27/09/2016

Resource Person: Mrs. Mansi Gupta

Summary:

Department of Electronics and Telecommunication had arranged an online guest lecture on “ Data Structures and Algorithms ” on 27th September 2016. The lecture was delivered by Mrs. Mansi Gupta for which total 36 students were present.

SR. NO 08

Event Name: Guest lecture on PLC

Date: 1/Oct/2016

Resource Person: Amol Kamble

Summary:

Department of Electronics and Telecommunication had arranged a Guest lecture on “ PLC ” on 1st October 2016. At the time of guest lecture Chief guest Mr. Amol Kamble, Principal Dr. B. R. Jadhavar, Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present.

SR. NO 09

Date: 26/07/2016.

Event: Guest lecture on **Opportunities in Foreign Education and Jobs**

Resource Person: Mr. Subhash Bhare

Summary:

Guest lecture on **Opportunities In Foreign Education And Jobs** was conducted by Mr. **Subhash Bhare** on **26/07/2016**. He had explained how the students can apply in foreign university for admission, and the detailed process.

SR. NO 10

Date:19/03/2017

Event: Student Development program on “Recent trends in Embedded Systems”

Resource Person: Mr. Ashok Garje

Embedded Development Engineer

Hitron Components, Mumbai

Mr. Garje Ashok conducted SDP on Recent Trends in Embedded systems

Department of E&TC arranged Student Development program on “Recent trends in Embedded Systems” for TE E&TC students. Resource person Mr. Garje Ashok conducted SDP and given details about different microcontrollers like PIC, ARM. Also provided hands on training based on ARM7 and ARM Cortex Processors

SR NO 11

Date: 16/03/2017 to 17/03/2017

Event: JCON 2017

Summary:

Department of Electronics and Telecommunication of JCOE had arranged a two days national conference “JCON 2017” on 16th & 17th March 2017. At the time of conference Chief guest Dr. C. L. Dhamejani, Hon’ble chairman Mr. Tatyasaheb Gunjal, Director Mrs. Shubhangi Gunjal, Principal Dr. B. R. Jadhavar, Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present.

SR. NO 13

Event Name: Project Exhibition

Date: 08/12/2016 & 09/12/2016

Resource Person: Dr. Desai and Dr. Raut

Summary:

Department of Electronics and Telecommunication had arranged a two days Project Exhibition on 8th & 9th December 2016. At the time of Project exhibition chief guest Dr. Raut & Dr. Desai, Hon'ble chairman Mr. Tatyasaheb Gunjal, Director Mrs. Shubhangi Gunjal, Principal Dr. B. R. Jadhavar, Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present.

SR. NO 14

Event: Workshop on Mobile Repairing & Maintenance

Date: 23/02/2017

Resource Person: Mr. Somnath Meche & Mr. Dongare Nitin

Summary:

Department of Electronics and Telecommunication had arranged a one day workshop on 23rd February 2017. At the time of workshop chief guest Mr, Somnath Meche, Principal Dr. B. R. Jadhavar, Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present. Mr. Somnath Meche told about Market Potential Repairing and Servicing of mobile phones have a good market prospect all over the country. Mr.Somnath Meche told about Technical aspect Process of Servicing; repairing of mobile phones involves two part one hardware repairing and another software repairing

Institute organized Soft Skill Program on English speaking, (I-NET)

SR. NO 22

Name of Event- Soft Skill Program on Technical Aptitude (I-NET)

Summary:

Soft Skill Program on Technical Aptitude (I-NET) for overcoming the fear for technical, interview and English speaking.

SR. NO 23

Event Name: Guest Lecture on Entrepreneurship Development

Date-14/01/2016

Resource Person -Mr. Abhijit Patil

Summary:

Abhijit Patil spoke about entrepreneurship development in student. **Entrepreneurship** is the process of designing a new business, i.e. a startup company offering a product, process or service. The **entrepreneur** perceives a new business opportunity and often exhibits biases in their perception and subsequent decision to exploit the opportunity. The exploitation of entrepreneurial opportunities may include design actions such as to develop a business plan, acquire the human, financial and other required resources, and to be responsible for its success or failure. Entrepreneurship may operate within an entrepreneurship ecosystem which includes government programs and services that promote entrepreneurs, entrepreneurship resources (e.g., business incubators and seed accelerators), entrepreneurship education, training and financing

SR. NO 24

Guest Lecture on Recent trends in Industrial Automation

Date 31/03/2015

Resource Person- Mr.Dipak Kokane (Project Enginner, Softtech technology, Pune)

Summary:

Department of Electronics and Telecommunication had arranged Guest Lecture on Recent trends in Industrial Automation on 31st March 2015. Mr.Dipak Kokane was the resource person.

SR. NO 25**Guest Lecture on Practical Electronic World****Date 07/08/2015****Resource Person- Mr. Homraj Reddy**

Summary:

Department of Electronics and Telecommunication had arranged Guest Lecture on Practical Electronic World on 07th August 2015. Mr. Homraj Reddy was the resource person. Dr. Homraj Reddy has given guidance on application oriented electronics and practical electronic world.

SR. NO 26**Guest Lecture on Digital Signal Processing****Date 05/08/2015****Resource Person- Dr. Futane N. P**

Summary:

Department of Electronics and Telecommunication had arranged Guest Lecture on Digital Signal Processing on 05th August 2015. Dr. Futane N. P was the resource person. Dr. Futane N. P has given guidance on Digital Signal Processing.

SR. NO 27**Guest Lecture on Career Guidance****Date 12/01/2016****Resource Person-Dr. Rubi Chandra**

Summary:

Department of Electronics and Telecommunication had arranged Guest Lecture on Career Guidance on 12th January 2016. Dr. Rubi Chandra was the resource person. Dr. Rubi Chandra has given guidance on how to improve confidence and how to make career with competitive exam. Also he has given guidance on how to enhance decision power skill. He has elaborated his ideas regarding improvent in confidence.

SR. NO 30

Event Name: Personality Development

Date: 26/09/2015

Resource Person: Mr. Santosh Totare

Summary:

Department of Electronics and Telecommunication had arranged a Guest lecture on “Personality Development” on 26th September 2015. At the time of guest lecture Chief guest Mr. Santosh Totare, Hon’ble chairman Mr. Tatyasaheb Gunjal, Principal Dr. C. L. Dhamejani, Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present.

SR. NO 34

Event Name: JCON 2015

Date-09/02/2015 to 10/02/2015

Chief Guest- Mr. Gagan Patwardhan

National Conference inauguration by chief guest Mr. Gagan Patwardhan with Dr. C. L. Dhamejani Principal JCOE Kuran, Hon. Tatyasaheb Gunjal, Chairman JCEI and CEO Prof. D. S. Galhe

Summary:

Department of Electronics and Telecommunication of JCOE had arranged a two days national conference “JCON 2015” on 9th & 10th February 2015. At the time of conference Chief guest Mr. Gagan Patwardhan, Principal Dr. C. L. Dhamejani, Hon’ble chairman Mr. Tatyasaheb Gunjal, Director Mrs. Shubhangi Gunjal, Prof. Mrs. V. M. Dhede (HOD E&TC), and all staff members were present.

SR. NO 35

Event Name: SPARX 2015

Date- 10/2/2015

SPARX inauguration by Dr. C. L Dhamejani Principal JCOE Kuran and CEO Prof. D. S Galhe

Summary:

Department of Electronics and Telecommunication of JCOE had arranged a national level competition “SPARX 2015” on 10th February 2015. At the time of event Principal Dr. C. L. Dhamejani, Director Mrs. Shubhangi Gunjal, Principal of Jaihind Polytechnic Mr. Y. S Gunjal, Prof. Mrs. V. M Dhede (HOD E&TC), and all staff members were present.

SR NO 36 (2014-2015)

Event Name; Embedded System

Date; 4/9/2014

Guest name: Girish Deshmukh

Summary

E&TC Department organize Guest Lecture on Embedded System on date 4/9/2014 & guest Girish Deshmukh Delivering lecture on Embedded System.

SR NO 37 (2014-2015)

Event Name; Embedded System

Date; 4/9/2014

Guest name: Parkhe Sandip, Solanki Ketan

Summary

E&TC Department organize Guest Lecture on Embedded System on date 4/9/2014 & guest Parkhe Sandip& Solanki Ketan Delivering lecture on Embedded System.

SR NO 38 (2014-2015)

Event Name; Workshop on microcontroller & Embedded System

Date: 18/1/2014 & 19/1/2014

Summary

E&TC Department organize two days Workshop on microcontroller & Embedded System date & 18/1/2014 & 19/1/2014 guest Milind Shende Conducted two days Workshop on microcontroller & Embedded System.
