

## Dahihandi Festival 2018-2019

### 03/09/2018

Jaihind college of engineering celebrated the Dahihandi festival for 1days in well mannered & disciplined.

Dahihandi competition held at college premises during festival for promoting students to show their hidden talent . There are separate Dahihandi for girls and boys.The participants form a pyramid consisting usually below 5-tiers for boys,3-tiers for girls and are given three attempts to break the earthen pot. The prize for winner team is 1500.This prize is win by hostel boys and Computer girls.

It was really very well organized event & students also showed very good response by participation in large numbers.
