DAY – 2: INDUCTION PROGRAM: AARAMBHA 2024

CHIEF GUEST: MS. GANGA WAKHARE

Saturday, 5 October 2024

The second day started with the Saraswati Poojan at the hands of the chief guest Ms. Ganga Wakhare (Manager-HR, Maxion Wheels Pvt. Ltd., Pune) and Dr. Vishvajit S. Thigale. The event was anchored by Prof. Gitanjali Varpe. The welcome speech delivered by Mr. Sagar Shinde, a student of MBA – II and formally welcomed the distinguished guest. Dr. Vishvajit S. Thigale, in his keynote address, talked on the industry interface and other developmental activities of JIMR in future.

Prof. Gitanjali Varpe introduced the Chief Guest Ms. Ganga Wakhare, and thrown a light on her journey as an HR Manager.

The program began with the speech by the Chief Guest. She talked on “Time and Stress Management” and “Corporate expectations from MBAs” and carried out the activity on goal setting. She motivated the students on learning life skills that helps minimizes stress while working on managerial positions. She emphasized the importance of ‘character’ in building one’s career. Also she stressed on the significance of time management in overall success of the students. She also advised students not to be hindered by language barrier and rather put efforts to win over it.

In the afternoon session, Dr. Mahesh Bomble conducted a program “YOU CAN WIN... AWAKEN THE LEADER WITHIN...”, the Management Games for students. The students learned the team building, time management and coordination.

The games began with the formal introduction about the various games and its objectives. Later, he instructed the participant about the rules and regulations of the games ‘Passing the Bricks’; ‘Hula-Hoop Ring Passing; and ‘Tug of War’ which help in developing the leadership qualities among the students and the ‘blindfold coordination’ for improving the coordination among the teammates.

The students learnt various management lessons from the games viz. coordination, leadership, etc. Dr. Mahesh Bomble talked on the importance of the games in management and leadership. He said that, how these games help one to develop the interpersonal skills as students interact and coordinate with each other. Afterwards the event ended with the vote of thanks by him.

The two day induction program – AARAMBHA 2024 came to its meaningful conclusion with Prof. Sagar Rasal extending vote of thanks. He acknowledged the role of JCEI in providing vision, inspiration and resources for all its students driven endeavors.
