To be recognized by the society at large as an excellent department, contribute and progress in the emerging technologies, developing highly skilled man power resources, with a focus on ever changing industrial demands and societal needs.

Encourage students to develop skills in recent and new emerging technologies. Through an effective teaching learning process, Outcome Based Education and quality research. To establish Industry Institute Interaction. To empower practicing engineers with the state-of-art technology to meet the growing challenges of the industry. Creating awareness & thirst for life-long learning through, technological trends and entrepreneurship.

## *HOD's Message.....*

The Department of Electronics and Telecommunication Engineering is established in the year 1997 with three years Diploma program in Electronics and Telecommunication. Department has always remained in the forefront in producing quality engineers who brought success to the department and institute.

The experienced and learned teams of faculty members are guiding the students due to which the results of the department stand best in examinations. The students of the department are participating in the technical events, conferences and the project competitions. The laboratories of the department are well equipped and have been designed as per the norms specified by AICTE, DTE and fulfill the curriculum requirement laid down by the MSBTE. The laboratories of the department have also been equipped with equipment's and software which includes Spectrum analyzer, DSO, Logic Analyzer, MATLAB, Xilinx etc.

The department also runs a student's association known as Electronics and telecommunication Engineering Students Association (EESA) which organizes various extra-curricular and co-curricular activities. The department has also organized various guest lectures, seminars, workshops and conferences for the students and the faculty members. Department has excellent infrastructure facilities and resources in the form of modern equipment's, faculty, library & references which always prove useful to our UG and PG students and to other technical institutes or industries in and around. The department has well equipped laboratories with modern instruments and advanced software's. The department has a close interaction with the alumni and is continuously using their inputs for improvement of the curriculum and research facilities. We are committed to provide a quality education with emphasis on strong foundation and fostering creativity.

I look forward to welcoming you to our department and call upon the aspirants to avail the facilities and opportunities this young and dedicated department with Undergraduates.

## Program Educational Objectives (PEOs)

**PEO-1:** Engineer will apply knowledge of basic mathematics, science, and discipline to design and develop systems in multi-disciplinary environments.

**PEO-2:** Engineer will work as an individual or a team member with effective communication exhibiting ethical values having environmental concerns.

**PEO-3:** Engineer will engage in lifelong learning, career enhancement and adopt changes as per professional and societal needs.

## Program Specific Outcomes (PSOs)

**PSO 1: Electronics and Telecommunication Systems:** Maintain various types of Electronics and Telecommunication systems.

**PSO 2: EDA Tools Usage:** Use EDA tools to develop simple Electronics and Telecommunication engineering related circuits.

## Program Outcomes (POs)

**PO1 : Basic and Discipline specific knowledge:** Apply knowledge of basic mathematics, science and engineering fundamentals and engineering specialization to solve the engineering problems.

**PO2: Problem analysis:** Identify and analyse well-defined engineering problems using codified standard methods.

**PO3: Design/ development of solutions:** Design solutions for well-defined technical problems and assist with the design of systems components or processes to meet specified needs.

**PO4: Engineering Tools, Experimentation and Testing:** Apply modern engineering tools and appropriate technique to conduct standard tests

**PO5: Engineering practices for society, sustainability and environment:** Apply appropriate technology in context of society, sustainability, environment and ethical practices.

**PO6: Project Management:** Use engineering management principles individually, as a team member or a leader to manage projects and effectively communicate about well-defined engineering activities.

**PO7: Life-long learning:** Ability to analyze individual needs and engage in updating in the context of technological changes.

## Departmental Events

### Guest Lecture

#### Expert Lecture No.:-1

- 1) Name of Topic: “Antenna”
- 2) Name of Guest Lecturer: Mr. Hanumant Rao Bhandari  
(Senior Engineer GMRT Observatory, Khodad)
- 3) Date: 19/09/2024

#### Expert Lecture No.:-2

- 1) Name of Topic: “Personality Development”
- 2) Name of Guest Lecturer: Mr. Rahul Gavande (Application Engineer, Everlight Electronics India Pvt. Ltd.)
- 3) Date: 24/08/2024

**Expert Lecture No.:-3**

- 1) Name of Topic: “Industry 4.0”
- 2) Name of Guest Lecturer: Mr. Milind Joshi (Assistant Manager, Tata Indian Institute of Skills)
- 3) Date: 18-02-2025

**Expert Lecture No.:-4**

- 1) Name of Topic: “Satellite communication”
- 2) Name of Guest Lecturer: Mr. Navnath Chikhale (Head Software, Space Plus Techno Solution Pvt. Ltd.)
- 3) Date: 04-03-2025

## Industrial Visit

**Company Name:** Ubique System, Pirangut.

**Date:** 09/10/2024

**Name of Staff:** Mr. Rane S. P., Ms. Bhalla D.A., Ms. Dimbale M.S.

**No. of Students:** 93(TY)

**Company Name:** Funfirst Global Skillers Pvt. Ltd., Ale

**Date:** 25/02/2025

**Name of Staff:** Ms. Wakchaure A.P., Ms. Ghige S.K., Mr. Mande P.D.

**No. of Students:** 91(TY)

**Company Name:** GMRT Khodad, Narayangaon, Junnar ,Pune.

**Date:** 28/02/2025

**Name of Staff:** Mr. Kanade K.A., Mr. Nil N.R.

**No. of Students:** 91(TY)

## Workshop

### Workshop No:-1

**Name of Topic:** :“Currents trends in IOT”

**Date:** 26/09/2024 to 28/09/2024

**Conducted By:** Mr. Vishal Gosavi (Codezone IT Solution, Pune.)

**Workshop No:-2**

**Name of Workshop: “Employability Skills Training”**

**Date: 03/01/2025 to 05/01/2025**

**Conducted By: Mr. Rahul Wagh (Aspiring Careers LLP, Pune.)**
